

## Spring Homework Projects

## Voyage of Discovery

Please choose which projects you want to complete this term, everyone must complete at least 3. They can be returned to school as and when you have finished each task, where they will be displayed in the reading area. Collect a sticker to show which activities you have completed. Remember spellings, times tables and reading should be completed **EVERY** week! All Homework projects must be completed by 3<sup>rd</sup> April ready for an open gallery for parents.

### Long Live the Queen

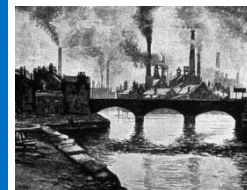

Find out more about Queen Victoria. You could focus on her childhood, her family or even her later years. What was she really like? Write your ideas, make a presentation or even prepare a speech to share what you have found out!

### Map of the Empire

The British Empire was at its height in the Victorian Times – but where was it? Make your own map to show the limits of the Empire.

### Industry Matters

The Victorian Era saw the Industrial Revolution, where factories and machines were used to manufacture many products in Britain. Find out more about how one of these factories changed the way we do things today! You might want to find out about how the Bourneville Factories changed chocolate forever!

The Victorian Era saw the Industrial Revolution, where factories and machines were

### Be an Author

Write your own story set in the Victorian Era. What would your characters be like? Are they rich or poor? How would this affect their life?

You can even use real Victorian authors, like Dickens, for inspiration!

### Surprise Me

Use your imagination to create your own project linked to our topic!

### Sweet Treats

The Victorians were the first to have access to sugar – in fact they believed it was good for you! Because of this new ingredient, many new pudding recipes were introduced. Research a recipe and write it up. You could even have a go at making the sugary treat yourself!

### Transport and Travel

The Victorians changed the way we get around. Find out more about a new way to travel. You could draw a picture, write about it or even make your own model!

### Childhood Dreams

Life was very different for Victorian children than it is today. Find out what was different and share your ideas by writing a report, making a presentation or even creating your own fact book.

### Discovered

The Victorian age was a great time for inventors and scientists. Many, many new ideas were discovered and inventions were created in that time. Find out more about one of these new products and how it was created. You could even create a timeline of the inventions yourself.
