Dear Parents

We've had a great start to the new school year. The children are all settling well, having fun and learning! Thank you to all parents who came to our Friday morning assembly or popped in to class this morning to see children's work. We appreciate and know the importance of our partnerships with our parents. Our Reception children start fulltime next week and we are excited to see them settle and start to grow and develop.

### School Uniform

Thank you! Most of our children have come back to school looking super smart in their uniform with proper black school shoes. They are proud of themselves and being part of our school. Let's keep this up through the year!

#### Head Lice

We have already had cases of head lice in school this year. Please check your child's hair regularly and treat as necessary.

#### Date list

I have added a number of dates this week to the list. Please check it so that you have advance notice of planned events. There will be other opportunities which pop up throughout the year which are too good to miss for our children. This means that whilst I try to give notice it may be shorter for some activities.

Best wishes

Meg Dawson

## Vaccine Update/Reminder

To give your child the best protection against Measles, Mumps and Rubella a child needs two doses. This is because the vaccine does not always work fully the first time. Therefore if your child has not had a second MMR as part of pre-school vaccines, I would encourage you to do this now by contacting your GP/Practice Nurse.

Children in year 1, 2 & 3 are also eligible for flu vaccine this year.

Further information can be accessed from the following website

http://www.nhs.uk/conditions/vaccinations/pages/vaccination-schedule-age-checklist.aspx

# <u>DATES FOR THE DIARY</u> - more information about events will follow when needed.

You are welcome to come in to school every Friday morning to see your child's work. Classes are open from 8:45am until 9am. Parents can stay for celebration assembly following this.
