**Zoolab** are visiting Years 1 and 2 on Friday 20<sup>th</sup> January. They are bringing in some animals to help the children learn about habitats. Please pay an online donation of £3 to help cover the cost of the visit. Thank you.

Please can you make sure that you **check your texts** regularly as there were still some children who came to school today without PE kit despite a text being sent. This then causes unnecessary work in the office calling parents individually. We are only allowed a certain number of characters in our texts so they might appear abrupt at times as we try to condense the message! Thank you for your help.

**On Monday 16<sup>th</sup> January there will be meetings for parents to receive important information about SATs for Year 2 (5.00pm) and Year 6 (5.45pm) children.** Please try to attend these meetings so you are aware of what is going to be expected from your children during the coming weeks and also details of the SATs content.

**If you have a child in KS2** you will be aware that they are taking part in **Rock Challenge** this year, an exciting opportunity to perform at The Sands Centre on Friday 17<sup>th</sup> March in the evening. Tickets are now on sale FOR SCHOOL ONLY to purchase before they go on general sale at The Sands. We have been allocated by Rock Challenge 2 tickets per child and these need to be ordered and paid for online before **Friday January 20<sup>th</sup>**. Once we see how many tickets are spare we will then put these tickets on sale. Tickets are £13.55 each, a price set by Rock Challenge not school. **Please return the slip overleaf to the office by Friday January 20<sup>th</sup>**. The children will go to The Sands on the morning of the performance by coach with school staff and will be there all day until the evening performance. Any children whose parents do not attend the performance will need to be collected at the end of the show or there may be room on the school minibus to bring them back to school.

**Are you interested in training to become a primary school teacher?**

Cumbria Primary Teacher Training (CPTT) is a postgraduate course based in Workington with over twenty years' experience in teacher training.

We have a great mix of trainees, from mature students who are changing career to graduates fresh from their university courses.

We have vacancies now for our next course which starts in September 2017 and we would be very interested to hear from you if you are thinking of becoming a teacher, or know someone who is. We're looking for people who hold (or are working towards) a degree, have a passion for teaching and want to inspire young people to fulfil their potential.

If you are interested, please contact Cumbria Primary Teacher Training:

From now on there will be **no Nursery lunches on Friday**. This is due to the uptake being extremely low which means it is not financially viable to provide staff for such low numbers. Should there be an increase in demand at any time in the future we will review the situation. Thank you for your understanding and support.

I would like to order ..... tickets for Rock Challenge to be held at The Sands Centre on Friday 17<sup>th</sup> March.

I confirm I have paid for the tickets online.
