Monday 9th January 2017

Dear Parents

We are delighted to be taking part in a 'Year 4/5 Festival of Light at Bristol Cathedral'. This is on Wednesday 25th January and runs from 09:45-14:15. Mr Anley will be leading this trip and we will be travelling to and from Bristol on a coach, jointly with South Marston, who are also attending. Whilst at the Cathedral this cross-curricular, inter-active day will allow your pupils to:

- Learn the story of Candlemas and how it is relevant to Christians today
- Learn about the symbolism of light
- Make objects of light, such as candle holders and lanterns
- Learn about the science of light in the amazing Explorer Dome light display: <http://www.explorerdome.co.uk/>
- Work alongside pupils from other schools

They will need to have a packed lunch with them. If you have already paid for a cooked dinner on that day your child WILL be provided with a packed lunch. However they may wish to bring something to supplement it as we have not been informed to the exact contents. The children have to carry their belongings throughout the day, so will only need a coat, £5 pocket money and their lunch (throw away wrappers are easiest).

Children will need to be dropped at school at: **07:35**

Pick up from school is: **16:00**

Best Regards

Miss Lindsay
