

We hope you all had a lovely Christmas and New Year - welcome back to a fun new term! The children have come back refreshed and excited to start their learning. This term our topic is 'People who help us', and we will be visited by different members of the community who help us, including fire fighters, policemen, paramedics and a vet. We are very excited to be finding out in a hands-on way how they help us! Please turn over to see some of the things we will be doing this term.

We look forward to an exciting term!
