Dance
Basketball

RE

Whose World is it?

WOW Day
Arctic landscapes

Fantastic Finish
Ice Skating

Special events

Ice skating

Computing

iNetwork - exploring how the computer networks connect with others allowing them to share information and resources.

Science - Evolution and Inheritance

- recognise that living things have changed over time and that fossils provide information about living things that inhabited the Earth millions of years ago
- recognise that living things produce offspring of the same kind, but normally offspring vary and are not identical to their parents
- identify how animals and plants are adapted to suit their environment in different ways and that adaptation may lead to evolution
