

# Dalton St Michael's C.E. Primary School

Newsletter 15

January 13<sup>th</sup> 2017

All the children have been introduced to their new 'connected curriculum' theme this week. The themes are:

Class one curriculum title is '**Excellent Explorers**'

Class two curriculum title is '**The Art of Food**'

Class three curriculum title is '**Amazon Adventure**'

The overviews of the 'connected curriculum' for each class have been sent home today. Further information can be found on the school website.

Miss Dowling's class began their work by observing peppers in detail. First they sketched the peppers.

They used their sketching to help them when they began their work with clay.

The children really concentrated on their work and learned about accuracy and detail.

Finally they painted their peppers. They are now proudly displayed in the classroom.

Please remember to check the school website for updates.
