

Student Council Meeting – 19th May 2016

Present: Thomas Stokes, Cain Zyla, Tigi Dyson-Ryan, Danielle Cook, Anthony Bray, Charlie Stokes and Mrs Morris

1. Mrs Nove has asked the ambassadors to find out what topics the classes would like to look at next year.
2. Mrs Nove also asked what kind of after school clubs the children would like. Some suggestions from the ambassadors were football, hip hop and a repeat of Mrs Morris' Music Club.
3. Year 5/6 feel as though the division of monitor jobs is unfair with some people doing nothing and others taking on several roles. Years 3/4 and 1/2 did not seem to know who was doing which monitor job – this is due to recent staff changes and needs addressing. It can be part of our 'Investor's days' next week.
4. Mrs Morris introduced the 'Tell Me Box' to the ambassadors who were all very excited and thought it was a great idea.
5. We discussed the state of the boys' toilets which are not being used appropriately. The floor in Year 1/2 toilets is constantly wet as are the toilet seats, it is very unpleasant for anyone to use. In year 3/4 someone is flushing blue paper towels down the toilets which causes flooding. All of this behaviour is unacceptable and must not continue.

Ambassadors to report back with suggestions from their classes next week and Cain will collate the responses.

Next meeting w/c 6th June
