CONGRATULATIONS TO THEM ALL!

JETS & TOPAZ MULTI-SKILLS

Year 2 and 3 took part in a Multi-Skills Festival at Ashby School. The children had lots of fun, participating in many different sporting activities and worked with children from other schools. They were a credit to the school.

Well Done Jets and Topaz!

KS1 DANCE FESTIVAL

Children from KS1 Dance Club took part in a Dance Festival at Ivanhoe College, Ashby. The Children had worked really hard at Club and performed their 'Car Wash' routine amazingly! Well done to everyone who took part!

SAPPHIRES

The children in Sapphires went on a journey from Christmas Eve to Christmas day as part of their Multi Skills afternoon. They climbed up the chimney, made snow angels in the snow, had a snowball fight and caught the train to the North Pole to see Father Christmas!

Whilst this is a very exciting time, with lots of wonderful experiences for the children, it is also the time of year that children are most likely to catch the Norovirus known as 'the winter bug'. We would therefore like to politely remind you that the NHS guidelines clearly state that children should stay off school until at least 48 hours after the symptoms have passed.

On Tuesday December 6th our children thoroughly enjoyed a pantomime, Peter Pan. We believe in providing children with such experiences in order to foster an enjoyment and appreciation of the arts whilst also developing an understanding of how to be a good audience member.

Recently, Lily and Jake from Year 4 came along with myself and Miss Mapp to a pupil wellbeing event. Over the course of the year this will take the form of a high profile project. They represented the school in an outstanding way and we were extremely proud of them. One of the key things that they said about our school was that we are a very caring school. Their behaviour, written presentation and knowledge of grammar stood out as exemplary. We have such high standards at Albert Village!
