We are always planning ahead in relation to staffing and classes in school therefore if you have, or know of, a child who is coming to our Nursery and they are not already registered please see Mrs Bryden in the office, however young they might be!

Please can I remind you that **parent cars** are not allowed on the school car park at the beginning and end of the day for H&S reasons. Even if you are running late please adhere to this rule which is in place to keep all the children in school safe. Only cars with a disabled parking disc are allowed and if this applies to you, please drive slowly at no more than 10 miles an hour at all times, especially when coming through the gate. This also applies to either the 12 o'clock or 1 o'clock pick ups from Nursery. Thank you.

Please can you have a good look at home for any school reading books and return them to school as we seem to be missing quite a few! Thank you.

Please find with this Newsletter the **Club List**, beginning Monday 6th February for 4 weeks. Some clubs run longer so please check the notes on the table. I will be talking to members of the running club and arranging to take the faster children out one lunchtime a week round the village. We are aiming to do another Saturday Parkrun towards the end of the term, probably at Keswick then Carlisle during the summer term.

Forest School starts this Thursday for Year 2. Please check your child's reading folder for a letter with details.
