## Headlines

**URGENT - Free School Meal census - please raise £1320 for the school.**

Name of child \_\_\_\_\_

### Main Entrance

Following new Local Authority security guidance and our own review of Health and Safety Policy, the main entrance will be locked between 9.05am and 2.55pm.

Parents who need to get access on school business are politely asked to use the buzzer but we will be unable to cater for parents sitting and waiting for children prior to 3pm. We aim to be a welcoming school but child and staff safety comes first. In addition, we have had issues with confidential phone calls or information on the front desk being overheard by parents sitting in the waiting area.

Parents are our partners and are welcome in school if appointments are arranged, to swap KS1 and Early Years books (8.45 - 9.00), for Family Assemblies, productions and meetings. Thank you for your understanding.

### School Funding

Please return the Free School Meal form sent out last week. We must have it by tomorrow to enable us to receive a possible extra £1320. The school needs this money to function. Thanks.

### Bury College Course in our School

Are you interested in a course accredited by the English Speaking Board for your CV? Reading to children is essential for the development of young talkers, readers and writers.

Please let us know if you would be interested in enrolling on a No Barriers "Reading to a Child Course" run by Bury College in school.

### Annie
