

Dalton St Michael's C.E. Primary School

Newsletter 16

January 20th 2017

The weather did not put our Early Years children off playing outside... They wrapped up warm and explored with water, bubbles and tubes.

Their exploration caused a great deal of excitement!

They then came inside to make different sounds with musical instruments.

Years one and two had lots of fun measuring this week.

They used different types of scales and managed to record their findings in different ways.

Stars of the Week

Reception: **Noah** for super answers in R.E.

Year one: **Lucas** for trying hard with his writing

Year two: **Logan** for trying so hard in Maths all week

Year three: **Logan** for saying lovely comments about his team at Science club

Year four: **Maya** for facing challenges in Maths with determination and confidence

Year five: **Harriet** for brilliant communication in Science club

Year six: **Molly** for lovely handwriting

Attendance

Class 3 with 97.50%

Next Week...

Mrs Britton's class are expecting a visit from the Fire Brigade on Monday afternoon. They will be learning about Road Safety.
