There is to be a **Year 2 SATs catch up meeting** for those parents who missed the last one in school at 5.00pm this Wednesday 25<sup>th</sup> January in Mrs Wilson's room.

As requested in a previous Newsletter, please contact Mrs Bryden in the office if you need an appointment to see your child's class teacher and only see them in the yard or classroom if the matter is of an urgent manner and needs to be dealt with immediately. Seeing your child's class teacher by appointment is never a problem and will give you the time and privacy you need to receive the best possible support and advice. Thank you for your help.

There is **no Forest School** session this week for Year 2 but the sessions will resume as normal next week, Thursday 2<sup>nd</sup> February.

Due to unavoidable circumstances, Mr Whelan is no longer able to run after school football sessions. We have managed to secure another coach who is fully qualified and carries an enhanced DBS certificate, Mr Conor Cooke, recently returned from coaching in the States. Conor also does work for Chris Wright Sporting Services so comes well recommended. KS2 football will remain on Monday evenings but unfortunately he can only do **KS1 football coaching on Wednesdays. We have therefore had to swap KS1 ART to THURSDAY and KS1 FOOTBALL to WEDNESDAY. We will presume that those children already enrolled with KS1 football will remain on the football register and attend on Wednesday nights and KS1 art children will remain on the art register and attend on Thursday nights. Please contact the office if your child cannot now attend either KS1 Art or KS1 Football because the night has changed.**

Ms Ford needs **volunteers** please to help with her Maths Workshop in Class 2 every Friday morning 9.10-10.00am. If you can help, even if your child is not in this class, please leave your name in the office or see Mrs Shankland at the gate.

If your child applied to take part in an **after school club** you can presume that they have a place unless you have been notified otherwise.

A reminder that it is **Class 5** leading Celebration Assembly this Friday 27<sup>th</sup> January at 9.10am. You are all welcome to attend.

**A reminder to the footballers playing at The Sands Centre this Saturday 28<sup>th</sup> January that they need to meet me in the foyer at 8.45am. They will have been given school kits to wear on Thursday.**

On Sunday 19th February at 10.00am as part of the **Keswick Film Festival** there will be a screening of Life, Animated (PG) at The Alhambra Cinema in Keswick. The film will be introduced by Adam Feinstein, an internationally recognised authority on autism. This may be of interest to some of you and in addition the screening is in aid of **I Caan**, a village based charity and support group for families supporting children with autism.
