Reception	Harry Foye
Year 1	Aaron Wilson
Year 2	Shay Williams & Kian Tyson
Year 3	Lauren Steadman
Year 4	Elliot Smith
Year 5	Hollie White
Year 6	Erin Thompson

West Cumberland Orienteering Club would like to invite year 5/6 children to enter the orienteering leagues 2017. Dates are as follows: 30th March, 6th April, 4th May, 18th May, 25th May and 8th June. Children have always enjoyed this event in past years. If your child would like to take part in this year's event please complete the slip overleaf and return to Miss Eve by Friday 17th February.

There will be a **Phonics Information Evening on Monday 13th February at 5.30pm** for parents of those children in Reception and Year 1. This will provide you with useful information about supporting your child in school with their phonics and reading and also important information about the Year 1 Phonics Screening Test they will take in May this year.

KABS are holding a **Valentines Disco on Tuesday 14th February** in school, 6-7.30pm. Entry is £2.50 and there will be hot dogs for sale at a cost of £1.00. All Nursery, Reception and KS1 children must be accompanied by an adult.

Don't forget the **Pie & Pea supper in aid of Rock Challenge on Monday 13th February**. This is to be held in the Welfare Hall starting at 7.00pm. Tickets are just £5 from the school office to include supper and one game of Bingo. Raffle prizes gratefully received in school. We already have prizes such as afternoon tea at Workington Golf Course, beauty vouchers, day pass for the Aquarium and The Gin Case and many more. Thank you.

Well done to our **5 a side football team** who took part in The Sands Tournament in Carlisle at the weekend. They worked together really well as a team, winning their first three games resoundingly. The fourth game was the deciding match in that group.....we led 1-0, it went to 1-1 and in the dying minutes of the game Canonbie popped in a goal to go through. It was a lovely day enjoyed by us all and thank you to the parents who brought the boys through to Carlisle and stayed to support.

Beginning today, any staff who take 1:1 or small group sessions with children in school and also staff leading after school clubs on their own, will be wearing **video badges**. Footage from these badges will only be viewed by members of the Senior Leadership Team in school and designated Directors and only viewed if and when the need arises. If you have any queries about this, please contact the office.

Forest School will take place this week for Year 2 children.

Clubs start next week. Please ensure payments for football clubs have taken place prior to the club beginning or your child will not be able to take part. If your child is not attending a club they need to inform the member of staff involved as they will be on a register and need to be accounted for at the end of the day.

Well done to **Miss Eve and Class 5** on their great participation in Sing Up at All Saints Church last week. They sang beautifully alongside the other 150 children taking part and the evening was enjoyed by all. Well done also for their brilliant assembly last Friday, a modern day interpretation of Pompeii. A wonderful mix of song, dance and drama which really brought history alive!

Please find with this newsletter an envelope from **The Student Support Centre**, which you have received before. Thank you.

Well done to **Bethan Steadman** who has won the Active Cumbria competition to design their mascot for the coming year! This will be used on team kit at Active Cumbria events, all their advertising and much more. The mascot will be visiting the school when the design has been produced so we look forward to that. Bethan wins a £50 Amazon voucher too!

A huge well done to our OOSC staff Shella and Charlotte on their recent Ofsted Inspection. They received an across the board assessment of good but if you read the report, which is now on our website, it is obviously a very strong good and the recommendations are minimal. In the current Ofsted climate, it is very difficult to receive an 'Outstanding' stamp. Thank you to Shella who leads the club so well, working extremely hard to provide interesting activities and such a lovely atmosphere for the children, who are often in the club not because parents work but just because they enjoy going so much. Thanks also to Ms Ford who advises the club on all Early Years matters, which is very high on the Ofsted agenda in all OOS Clubs and who liaised with the Inspector during her visit. Regular users of the club have been given a copy of the report. Another cause to celebrate the success of Broughton Primary School!

✂

I would like my child to enter the orienteering leagues on:

- 30th March
- 6th April
- 4th May
- 18th May
- 25th May
- 8th June

Signed
