Wooldale Junior School

Pupil Premium Allocation Statement - September 2016 - March 2017

Pupil Premium is the term given to money allocated to schools in their budget related to three factors:

1. Children who are eligible for free school meals (FSM)
2. Children looked after by the Local Authority (LAC)
3. Children of parents who are members of the Armed Forces

This is additional funding from the Government to address inequalities between children eligible for free school meals and their peers, with a particular focus on academic progress and attainment.

The funding allocated to schools for children eligible for FSM is calculated from the number of children in school, who have been eligible for FSM in the past six years. It is intended that this premium should be used to meet any further needs of the child, with particular attention to their academic progress.

The amount of money allocated in our budget in this way has grown year on year and it is essential that this fund is used well to meet the intended aims. We are required to publish online information about how we use the premium, which is detailed below.

2016-17 Allocation: £ 65280.00 Autumn Term: £19040.00 (1)		
Number of children supported:		
How the Pupil premium was spent	Approximate Costs	Impact
Teaching and Learning Interventions		
Year 6		
Maths Interventions	£1,388	Specialist maths teacher brought in for 1 day a week to support in Y6.
1:1 reading support	£360	School data shows that the pupils involved made very good progress.
