**Maths problem solving skills** are high on our **School Improvement Plan** at the moment as is **writing** throughout school. We have a number of children in Year 6, Cameron & Leigh and Year 3, Bobby & Samson, attending after school Gifted & Talented sessions in these curriculum areas at various schools in the Cocker mouth Consortium, with whom we work very closely. We have also welcomed Mr Adrian Davis-Johnston onto the team in school as a volunteer who works during the school day in maths lessons, extending our Year 6 children facing their SATs this year. His role was filled by Mr Carr, a School Director, who recently retired from our Board so we are very grateful to Adrian for his input.

**Clubs** begin this week for a 5 week block. Please note that if your child goes to **running club** but is now running with me at lunchtime, they will not be attending the after school club as well. A date will be set for another Saturday Parkrun event soon.

A reminder of the **Phonics evening** in school Monday 13<sup>th</sup> February at 5.30pm for parents of children in Reception and Year 1. Lots of important information for you to support your child's progress in school and also about the Phonics Screening Test Year 1 will take this year.

**CAMP Cumbria** is back for summer 2017 and will be based locally at Paddle School, with transport available from all areas on a daily basis. Prices seem very reasonable for a week's activities and I know that activities on offer are very varied. There are leaflets available for you to read on the website.

**Forest School** will take place this week for children in Year 2.

A reminder of the KABS **Valentines Disco** in school, Tuesday 14<sup>th</sup> February 6-7.30pm. Admission is £2.50 and there will be hot dogs for sale and a great disco to enjoy! All children below Year 3 need to be accompanied by an adult. Thank you.

Don't forget the **Pie & Pea supper in aid of Rock Challenge on Monday 13<sup>th</sup> February**. This is to be held in the Welfare Hall starting at 7.00pm. Tickets are just £5 from the school office to include supper and one game of Bingo. Raffle prizes gratefully received in school. We already have prizes such as afternoon tea at Workington Golf Course, beauty vouchers, day pass for the Aquarium and The Gin Case and many more. Thank you.

**Years 5 and 6 are taking part in the Bright Stars enterprise again this year. Please see overleaf for details.**

Last year's calendar project was extremely successful and very well supported by parents, and as a result, we received the award for 'Best Business Idea'. The project is designed to try and help young children in Cumbria develop a business like mind. All schools taking part are given £50, which they must use to create their own business and the aim is to make the maximum amount of profit. The projects are then judged and a few lucky schools will be awarded a certificate and £500, which is split between school funds and a charity of the school's choice.

This year, our pupils have decided to create beautiful hand-made '**Celebration Hampers**', which could be purchased for events such as Mother's Day, Valentine's Day or birthdays at a cost of £5.00 each. The hampers designed for females will contain: hand-decorated tea-light holders with candle, hand-made key-rings, sweet treats and a hot-chocolate pouch, presented in a basket and wrapped in pink/red cellophane with bow. The hampers designed for males will contain: mugs decorated by our pupils, hand-made key-rings, and sweet treats presented in a basket and wrapped in blue cellophane.

The children have decided that they need to take orders for the hampers to maximise profits. If you would like to order a hamper, please complete the slip below and state how many you would like and whether it is for a male or a female. **ORDERS NEED TO BE INTO THE OFFICE BY FRIDAY 10TH FEBRUARY.**

**PLEASE SUPPORT OUR CHILDREN IN THEIR PROJECT - THE MORE HAMPERS THAT ARE SOLD, THE MORE PROFIT THEY WILL MAKE FOR THEIR BUSINESS.**

**As a school we are alarmed about the amount of dog dirt in the village as well as in the school grounds. Should you get the opportunity please call or email Allerdale Borough Council expressing your concerns about this situation as they currently do not have a Dog Warden in place and this might encourage them to appoint one. Thank you.**
