School News

I think we all felt a little let down by the weather this week, well certainly if you were aged 4-11 years!

For many of us adults, the memories of being snowed in at some point over the winter are still clear. Snow is a fantastic learning tool, I know that the teachers were prepared with snow based activities for today.

Should we get any snow this winter please be assured we will endeavour to stay open. Children should come to school in wellies, hats, coats and gloves.

Sleep Support for Children with ADHD and their Families

Are you the parent of a child with ADHD who has sleep issues, or are you professional supporting families in this situation? The Children's Sleep Charity are proud to be supported by BBC Children in Need to deliver a fully funded pilot project across Shropshire to support children with ADHD get a better night's sleep.

This project will provide families with FREE places on one of our individual training workshops listed below, and ongoing support for those in need. Free workshop places are also available to professionals working with families of children with ADHD.

TELFORD – 18TH JANUARY
SHREWSBURY – 27TH FEBRUARY
