Subject: St Mary's RC Primary School - C.A.F.O.D

Dear Parent/Carer

Cafod green envelopes will be coming home with your children in the next few days, hopefully for you to fill with your small change for Lent Fast Day on 10th March.

To quote what even a few pennies can do for people living in poverty I have taken examples from the Cafod letter.

1p and 2p to vaccinate 10 children with life threatening diseases.

10p and 20p to buy a goat for a family providing milk to drink and manure for the crops.

50p and £1 to provide clean water for 3 families.

It is amazing that our small actions can make such a huge difference to our poorer neighbours.

Thanking you once again for your support.

Kind regards

Jackie Harrison
