Thursday 23rd February 2017

Dear Parents

We are delighted to have booked three places at a 'Deepening writing day' being held at South Marston School. This is being run by Marie Svillis, a renowned English consultant in Swindon.

We would very much like your child to take part in what will be an exciting day with a focus on developing characterisation, which will stretch their learning that little bit further.

The morning is being held on Friday 3rd March from 09:30-14:45. A member of staff will drop them off and pick them up and they will be under the care of South Marston staff during the day. Mrs Morris will be with them for the morning session. If there are any issues they would ring us immediately and we will ring and check throughout the day.

Best Regards

Miss Lindsay

Year 4/5 trip to South Marston - English
