

# February Reminders.....

## Parking on Slade Walk

Please be considerate to our neighbours when parking around the school. There are some parking spaces in the top car park for parents (which is an added bonus in a primary school!)

**DO NOT PARK ON THE PRIVATE HOUSE DRIVE AT THE BOTTOM OF SLADE WALK!**

**NO PARKING!**

The government and the local authority ask all schools to encourage families to walk to school.

It is better for the environment and helps keep us fit!

*Leave the car at home and  
Walk to School*
