*Enjoy a healthy
start to your
school day*

Welcome to the Breakfast Club.

What is the Breakfast Club?

This is the Hertford Vale's Breakfast Club which is run from the school between 8.00am—9.00am every morning during term-time.

The club provides quality childcare. We have 2 highly effective members of staff Mrs Green and Mrs Bulman who also work in the school during the normal school day.

What would my child eat at the Club?

We provide a healthy start to the day with a breakfast of your choice which could include cereal, toast, milk, tea, juice. At the end of each half-term we serve a

Special breakfast, which could be a bacon buttie or a sausage buttie.

The children have a lot of input into deciding their choices of breakfast.

What would my child do at the Club?

We have many varied activities including art and craft, bingo, reading, exercise. We have our own display board and our work is displayed for all to see. We also contribute to fund-raising activities and bake cookies, or make cards.

At the end of each week a special person is chosen.

How much does it cost?

8.00am-9.00am Cost £3.50 or £15.00 if staying all week.

Any Questions?

We hope this brochure has given you an insight into how the Breakfast Club works and the service it provides. If you would like to know more please ring or call in at the school office.

We hope to see you very soon!
