

The Good Shepherd Appeal 2017

Nugent Care offers a diverse range of support to adults and children through school, care homes, community and social work services. They work at the heart of some of the most vulnerable disadvantaged communities.

Every morning during Lent we will be collecting 'loose change' to raise money for Nugent Care. We are asking our children to try to collect small amounts of pennies and bring them in. Every day our Y6 House Captains will add up the 'loose change' we have collected and update our whole school display.

Thank you for supporting our Good Shepherd Appeal!
