

What is your favourite sport?

Do you know a sporting personality who has inspired you?

Remember we want you to be as creative as you can. Here are some ideas to help you and your family:

- You can make a medal which a sportsperson has won
- Make a video of your child doing as many different sports/games as possible!
- Time your child running as fast as you can-make a film
- Make a model of your child's favourite sportsperson
- Draw pictures of your child's favourite sport
- Cut out pictures of sportspeople and make a collage with them
- Create a clay or plasticine ball or bat/racquet
- Make flags of the country a famous sportsperson is from
- Take photos of your child pretending to score a winning goal

Don't forget, this is a project for the whole family-please work alongside your child, and have fun!

The closing date for returning your Home Learning Project is: Monday 20th March

Family Learning Morning is: Friday 24th March 2017
