Mr Attkins' class were awarded the attendance award for last week's 100% attendance. For their reward they asked to do some baking in their class. On Thursday their classroom was a 'hive of activity' as they made cupcakes.

As part of their learning they used scales to measure the ingredients.

They followed the recipe carefully.

After lunch the children tasted their cupcakes. They enjoyed them so much they have decided to write some instructions so they can make them at home!

I wonder what they will choose for their 100% attendance reward next week... and what will Year five and six decide too!

Well done to all the children and their parents who managed to read every night this week!

Please remember to make an appointment for Parents evening on Wednesday 29th March from 3.15pm. We are looking forward to sharing the children's progress and all their achievements with you.
