| Year 3 | Brogan Thompson |
| Year 4 | Jayden Eland |
| Year 5 | Alex Tzelepis-Jones |
| Year 6 | Lily Stone |

Please note the following from **Peter Inglis** of the **Punch Bowl**:

The Community Choices Team recognises there have been some difficulties with our site in regards to logging in/ registering to vote.

We would like to take this opportunity to apologise for any inconvenience caused to users not able to access voting and can confirm we have now resolved this issue.

Decidingtogether.org now has a new registration system in place which makes the process much easier by removing the need for a verification email.

If you have previously attempted to register but have been unable to log in, please click [HERE](#) to register on our new system.

If you have registered but are yet to cast your votes, please click [HERE](#) to log in.

We are delighted with the response Community Choices has received and would like to thank you for your contributions so far.

March 20th marks the start of the **Big Pedal** for two weeks. Please encourage your child to cycle or use a scooter to travel to school on and also try to join in yourselves!

Thank you to those parents who supported the **Bright Stars Afternoon Tea** on Friday which was very much enjoyed by those present. The grand total of £600 has now been raised for Year 5 and 6 children's Young Enterprise Project.

There is no Forest School this Thursday for Year 2 children.

Following the meeting with parents in relation to **Nursery dinners** after the Easter break I am pleased to confirm that they will continue until the end of the summer term.

We look forward to **Rock Challenge** this Friday night. Parents of Year 5/6 children can you please ensure you read last week's letter containing all the details you need for Friday. Thank you.

Clubs finished last week apart from running and choir which will continue until further notice. This is the last week for football. This week Sam Ayers is leading running club therefore the boys who normally run at lunchtime with Mrs S will be going to the after school club session instead. If your child is doing the **Parkrun** with us on Saturday April 1st and they are not already registered on the Parkrun site with a barcode, you will need to do this before the run. Once you have printed off your child's barcode send it to school and we will laminate it and take it to the event with us, as well as the codes from the previously registered children. Go to www.parkrun.org then follow the instructions at the bottom of the screen, clicking where it says 'click here to find out how to sign up to Parkrun'

Just a reminder that if your child has a **contagious illness** we need to know in the school office as soon as possible please.

The **Easter Fayre** is now Wednesday 5th April and we will be having the usual chocolate hampers for the raffle, for which tickets will be coming home next week. There will be an Early Years, a KS1 and a KS2 hamper so any contributions will be gratefully received. Children can enter an Easter Bonnet if they are in Nursery or Reception and for KS1 and KS2 children this year's competition is Easter cakes, which can either be one cake or several small ones . **School closes at 3.00pm when the Easter Fayre will then begin.** KS2 children can bring money to school to spend at the Fayre but staff are not responsible for them after 3.00pm and all other children need to be collected at 3.00pm to then attend the Fayre with you.
