COMIC RELIEF 2017

The date for Comic Relief this year is **Friday 24th March**.

We have lots of fun things planned for the day but the most important one is the theme; this year we have decided that the children can wear red and have crazy hair!!

It can be a different colour, you can style it up with gel or just get the crimpers out.

We will be selling the red noses or you can send your child in with a small donation for charity.

We are looking forward to a fun filled day.

We have had a few parents enquiring about the anti-choking device which the Round Table have offered to certain schools in light of the recent tragic loss of a little boy from a local primary school.

After careful consideration and consulting with Safety Services at the council we have decided not to go ahead as they do not endorse these for schools.

The equipment can only be used as a last resort and if the patient is unconscious. At All Saints' Federation we ensure that all our Midday Supervisors are First Aid Trained. Obviously we would always call 999 in any such emergency. Please be reassured that we keep a careful eye on children at all times when they are in the dining hall and please continue to support us by cutting up fruit etc into small pieces.

POLITE REQUEST

If your child is unable to take part in PE or needs to sit in during break times can you please provide school with a written note. Please sign and date the note. Thank you.

Parking

This week we have received a visit from the police regarding our parents/carers parking on Fenby Court (off Northolme Road).

To park there is not permitted.

Parking is an ongoing issue around the school and whilst we do appreciate that some parents have to drive their children to school, it is important to respect the local residents who live on the surrounding streets.

Limetree Avenue is also a hotspot for cars being parked across people's driveways and recently a car was driven onto the footpath to drop a child off; this is not only illegal but highly dangerous too!

The residents surrounding our school are regularly ringing up to complain to us.

We do understand that there is limited parking directly next to the school but please ensure that you are driving and parking safely, with respect for the local residents.

We thank you for your continued support.

We would like to thank everyone who has completed and returned the questionnaires from the Governing Body.

These can still be sent into schools if you have one to complete at home. Thank you.

Dear Parents/Carers

We need your feedback on some issues that we have raised and below is a tear off slip which we would like you to complete and return to school next week.

The first point we would like your opinion on is what day you receive the newsletter. We normally send it out on a Friday but how would you feel about it changing to a Monday?

The second point for which we would like your feedback is how you generally enter and leave the school site. Do you use Northolme Road, Eastgate or Limetree Avenue?
We need to ascertain which is our busiest route into school.

Thank you for taking the time to complete it.
