School News

It is reassuring to know that in a world so focused on technology, books can still excite, interest and influence young people. Yesterday there were creative costumes and lots of discussion about favourite books and authors.

“A BOOK IS A DEVICE TO IGNITE THE IMAGINATION.”

—Alan Bennett

Please see further details on this newsletter about the Book Fair that will be arriving in school shortly.

We help to bring children and books together, delivering Book Fairs – pop-up bookshops – to more than 8000 schools in the UK every year. We bring the very best in children's books to your child's school and it is a great opportunity for you to browse books with your child – and for you to find stories to read, love and share together.

We will be visiting your school from Monday 20th March until Thursday 23rd March 2017.

The book fair will be open after school each day, from 3.15pm until 4pm and on Tuesday morning from 8.30am until 9am.

How your school benefits from a Book Fair

Every book you buy helps to earn Rewards that the school can spend on free books and resources for the classrooms. Each year, Travelling Books donates £3 million worth of free books to schools across the UK and Ireland. As an example, for every £10 that you spend, your school can earn up to £6 back in Rewards to spend to refresh the range of children's books in the classrooms (using a standard Rewards scheme; rates do vary).

Hundreds of great books to choose from

Every Book Fair is packed with hundreds of the best children's books for all ages – from award-winners and the newest titles to pocket-money pick-ups and treasured classics.

The range includes picture books, early readers, chapter books, books for reluctant readers, older fiction, non-fiction, home learning and lots more. It's a range you can trust too – every book is carefully read and selected by our Book Buying Team.

We look forward to seeing you there!

Dorrington Tree Planting Afternoon

This is an invitation to come and enjoy a companionable and rewarding afternoon planting some fruit trees which may be the start of a community garden for Dorrington.

Come and join in, come and enjoy the company or come if you are interested in seeing a community garden happen. Participation is not necessary, good spirits and an interest are!

Sat 4th March 2.00 - 4.00 p.m.

Meet at the Village Hall at 2.00 or make your way to the corner of the playing field near the bowling green after this.

There will be tea! Hope you can make it!
