School News

You may be aware that we have been designing and building a new school website. It can be accessed at the following web address www.dorringtonschool.co.uk

Each week Mrs Foulger will upload the newsletter and any letters which have been sent home.

So even if you lose/misplace/don't get handed a piece of paper you can gain all of the relevant information from the website. Don't forget there is an overview of the week ahead at the top of the newsletter so that you and your child can be well prepared for any planned changes.

If you click on the classes page it will take you to a tab for each class, this is where you can find the week's homework. No excuses if the homework book is forgotten. In time the teachers should be posting pictures of pieces of work and activities which have taken place during the week.

We are still building the site but I am sure you will begin to find it useful especially as it is compatible with all mobile devices including smart phones.

Email Communication

Thank you to those Parents/Carers who recently updated their email addresses with us.

From Friday 24th March, the weekly newsletter will be sent out to you by email.
It will also be available to read on our new website.

Through receiving updates by email, you are helping us to help the environment by reducing the amount of paper we use in school.

If you haven't yet updated us with your email address, please visit the School Office.
