Dear Parent/Carer

Winter Weather Procedures

In anticipation of the predicted weather forecast of snow over the coming days, we would like to remind you of our winter weather procedures.

School is expected to be open as normal, however up to date information on school closures can be found in the following ways:

- Listen to Radio Shropshire from 7am for announcements at regular intervals
- Visit www.shropshire.gov.uk/school-closures and click on the primary school tab
- Call the School Office on 01743 718462 from 8am

Should severe wintry weather occur during the school day which could affect safe travel home for children and staff, please be aware that we may have to consider closing the school early. So that we can contact you in such an emergency, please ensure your telephone numbers and email addresses are up to date with the School Office.

Yours sincerely

Amy Foulger
School Administrator
