LUNCHTIMES

Miss Knox (PE Co-ordinator)

and Mrs Crompton have set up a range of physical lunchtime clubs which will run in the summer term.

This is a chance for your child to be involved in both active and exciting activities such as dance and ball games during lunchtime. These will be run by qualified coaches and will hopefully transform lunchtimes on the yard.

These will be funded by the school sports premium funding which we receive every year.

School app

We hope you are enjoying using our school app and website to find out what's happening in school. This is something we want to continue and develop further. Any suggestions would be great! Search Hill View Infant on any app store to download.

Dear Parents,

We are pleased the sun is starting to shine now and we can enjoy using our wonderful outdoor areas.

We have had a very busy few weeks with Fairtrade Fortnight and Internet Safety week, as well as learning lots about Nepal from Ms Earl and Ms Ridley. We look forward to starting a project through the British Council about Nepal with our children and would love to know of any keen volunteers who would be willing to help.

Thank you, Mrs Smith

Anti Bullying Award

As you know we are working towards the GOLD charter mark for Anti-Bullying at HVI.

This term will see the implementation of our new school anti - bullying mascots. These mascots were kindly made by our clever parents and grandparents. The mascots were made in the likeness of the winning designs for the competition we held in school. The EYFS mascot is 'Bella the bear' and the KS1 mascot 'Annabelle the anti-bullying butterfly'.

These mascots will be visiting your children's classrooms and looking out for kind, friendly and caring behaviours.

Fairtrade

We have had a fantastic Fairtrade Fortnight this year. It astounds me how much our children know and understand about Fairtrade. We are pleased to continue to hold Fairtrade status and will continue to support Fairtrade in school. The recent tuck shops raised £180.00.

Social Media

Please can we remind all parents and carers that social media should not be used as a forum to complain about school, staff or children.

We encourage social networking sites to be used in a beneficial and positive way by parents and carers.

We ask that all parents demonstrate courtesy and respect for staff, other parents and pupils when comments are placed on social networking sites.

Any concerns or issues about school should be addressed directly with the Head Teacher, member of staff or governors.

Also, we ask that any photos taken during up and coming class assemblies not be shared on social media.

Parents evening is coming up soon; 28th and 29th March It is important to attend these meetings as it is pivotal in your child's achievement and attainment. Please use the school website to refresh yourself on how we assess in school. This will ensure you understand the terminology used by teachers.

Next class assembly: Class 5 on 17th March @ 2:15pm (school hall)
