Dear Parent/ Carer,

We are currently considering expanding our school age range to provide care for children aged 3-11 years of age. This would potentially mean that TCP will have its very own nursery.

As part of our research into the needs of the community of Tarleton and surrounding areas, there is a short questionnaire below. Could I ask that if the provision of the nursery is a need to you, other family members or friends, please could you complete the questionnaire and return it to school by Friday 7th April 2017.

This could be a very exciting time for the school as we would love to have the opportunity for your children to experience our wonderful early year's provision for longer and provide them with the opportunity to learn and grow in our family environment.

Thank you for taking the time to complete this questionnaire and thank you for your continued support.

Yours sincerely

Chris Upton
Headteacher
