

Mission Statement

To foster and encourage in each child a love of God so that they can bear witness to the teaching of Jesus Christ through the Catholic Faith.

To keep the word of God at the very centre of what we do.

To develop a close and effective partnership between home, parish and school.

We Aim:

To care for the welfare of all by promoting good manners and a sincere love and concern for others, encouraging a spirit of openness and forgiveness.

To encourage every child to reach their full potential by working and playing together in a safe, loving and caring environment.

To offer our lives as an act of worship.

To involve everyone in prayer, praise, reflection, worship and liturgy.

"We pray,
We work, We play,
We care, We do our best."

"Let the children come to me."
