

Welcome to the website for St Mary's RC Primary School and thank you for your interest.

St Mary's is a Voluntary Aided Roman Catholic Primary School in the Diocese of Salford. We cater for all children in the 4 to 11 years age range.

The school was originally St Edward's, named after the school benefactress, Adela Petre. In 1895, it moved into new buildings on the site of the present playground and became St. Mary's. In 1986, the school moved to our current site.

This website contains information about our school, please also feel free to download our school brochure. Of course, you will only get a true sense of us as a school by coming to visit us! We believe that St Mary's RC Primary School is a good school, where the needs and aspirations of every individual child are very important and we continually strive to provide a happy, caring environment with a family and purposeful atmosphere, where each child has the opportunity to achieve his or her potential.

I am very fortunate to be the Headteacher of such a good school, having delightful, enthusiastic and happy children, supportive parents and governors and hard working, caring and dedicated staff.

I look forward to meeting prospective parents and to be able to show you around our school. If you would like to arrange this, or to receive any further information, please feel free to contact the school office.

Please use the sign post links on the left to navigate around our site. We hope that you enjoy finding out about us and our school.

Ms Mary Nolan
Headteacher
