

Dear Parents/Guardians,

Due to popular demand, Flex Dance are hoping to continue running the dance club here at Holme on Spalding Moor on a Friday evening (3:25-4:25pm) throughout the summer term. The club will run for ten weeks from Friday 28<sup>th</sup> April through to Friday 7<sup>th</sup> July. The cost for the ten-week club will be £30 per child. There is a slight increase in the charge due to the school now requiring us to hire the hall and run the class privately to fit in with their private letting guidelines (this cost was previously subsidised by the school). We are hoping to invite the group to come and perform at one of our professional theatre performances at the end of the term too!

If you would like to sign your child up to take part please text Samantha on 07921222710. Payment will be due in an envelope **at** the first session or you can give your envelope into the school office **before** the first session.

Please note that we will require a minimum number of children for the Friday dance club to continue and once we have enough children signed up we will send out a confirmation text message.

We look forward to hearing from you and booking your child in to street dance club soon!

Sam & Steph
