Friday 7th April 2017

Dear Parents

Please find enclosed the mini-reports for this term. This includes new targets in English and Maths. If you wish to discuss anything further with your child's teacher then please do book to see them on our return after Easter.

The children continue to be monitored and assessed against 'age expectations' which means that a majority of children are still working, at this point in the year, through 'emerging' and then, if on track, they are beginning to tip over to be securely in 'expected'. If you wish to have a copy of the assessment sheets that your child is expected to meet by 'the end of the year' then again please let the teachers know.

We look forward to welcoming the children back on **Monday 24th April.**

A few dates:

- No music (KS2) or clubs first week back
- Monday 1st May – bank holiday
- Tuesday 2nd May – swimming lessons start/clubs start
- Friday 5th May – FOBS Treasure Hunt after school
- Monday 8th May-Thur – KS2 sats
- KS1 sats – held during May – most likely week beginning 15th May
- Friday 19th May – school sleepover – yr2+
- Friday 26th May – break up for half term at normal time – 3:15/4:15 (club)

We wish you a wonderful Easter break.

Best Regards

All the staff ay Bishopstone

Headteacher Miss Emma Lindsay
