

Dalton School

Every Wednesday morning we are pleased to welcome members of our community into school. Parents and toddlers are invited to join 'Dalton Dinkies' in the school hall from 9.30am until 10.45am.

Dalton Dinkies is enthusiastically run by Rachel. The children are always pleased to see Rachel and keen to show her what they are doing.

Each week there are a number of activities prepared for the children and space set aside for their parents to have a drink and time to socialise.

The children enjoy exploring with paints...

There are always resources for the children to use to make collages and pictures...

We are lucky to have a number of resources suitable for the toddlers to play with. Some of these good quality toys have been kindly donated by our parents.

We are always grateful for donations of 'pre-loved' toys, wooden jigsaws or outdoor play equipment that children may have outgrown.

Rachel is due to begin maternity leave so the parents and toddlers showed their appreciation of her by organising a 'baby shower'. Thank you to the parents for their thoughtfulness.

Dalton Dinkies will continue to run during Rachel's Maternity leave.

If you know of any parents and toddlers in the community who would like to join us on a Wednesday morning, please tell them about Dalton Dinkies. Thank you.
