Key information for Year 6

24th April 2017

Dear Parents,

Revision sessions for Y6 maths will finish on **Thursday 4th May** and we would like to thank you all for supporting the booster classes and encouraging your children to attend: your commitment and the children's are really appreciated.

During SATs week (**May 8th-11th**) it is really important that your child has a good breakfast before school so they have plenty of energy and their brains are ready for 'action' as soon as they come into school. A snack and drink at playtime would also be a good idea.

As a treat after SATs on Thursday afternoon we will be having a relaxing time and eating lots of ice cream and sweets in our ice-cream parlour. On the Friday afternoon we will be having crisps and pop after PE. If you are happy for your child to do this please can we ask for £2.00 which covers the cost of the ice-cream, sweets, crisps and pop.

The Leaver's Assembly is quickly approaching, please can I ask that you send in some photographs of your child for the Leaver's Presentation. I will scan these photographs and return them to you as quickly as possible.

For those children attending Robinwood this year, there will be a meeting for parents on **Thursday 11th May at 3.10p.m in the Y6 classroom**. This meeting is essential for you to attend as you will be given an important pack of information and forms for you to complete. If you are unable to attend please see me to arrange another time.

Yours sincerely

Miss Scollick
