

# The Saplings Children's Centre Newsletter April 2017

Welcome back after the Easter Break. A big thank you to everybody who joined us for our Spring and Easter Sessions, we hope you all enjoyed the sessions and all the craft activities as much as we did. Thank you to Santander and Staff at Oakgrove School who kindly donated some Easter Treats to the centre.

## HENRY on Line

If you are interested in completing the HENRY On Line Course (Healthy Eating and Nutrition for the Really Young), please speak to Mel who can book you in on either a Tuesday afternoon or a Wednesday morning.

Thank you for your continued contributions to sessions. Your continued support has enabled us to purchase a wide range of new resources to support the children's opportunities for exploring, learning and developing. Take a look at the photos attached to see a small selection of the new resources.

Thank you to Councillor Gowans for his very generous donation of £350 to the Centre. This has enabled us to purchase further resources for The Children's Centre and Knowles Nursery.

## Two Year Funding

Is your child entitled to 2 year funding? If you are unsure please speak to a member of staff. From 1<sup>st</sup> May applications for 2 year funding can only be made On Line, Saplings can support you to complete this at the centre.

Is your child due to commence Nursery in September? Knowles Nursery have limited spaces available for 2 and 3 year olds in September. If you would like support with admission to Nursery please see a member of staff and we can support you to take a look around the Nursery and complete the admission forms.
