

28th April 2017

Oakworth Primary School

"Share a Story"
Year 1

Dear Parent/Carer,

I am really pleased to tell you that we are going to offer "Share a Story" in school again. This activity has proved to be very popular in the past, we have had really positive feedback from parents and children. The reception children really enjoyed showing their parents the school library when it was their chance before half term and parents said it was good to have a quiet time to read away from home.

So it's Dolphin and Whale's chance to come in and take part in this activity.

"Share a Story" will be held in our school library. You can come along between the hours of 9.05am–9.20am and 2.50pm–3.05pm, meet your child or children in the school library, choose a book and enjoy some time set aside to read or look at a book together.

Pre-school children are very welcome to come with you to this activity.

The sessions will be held on **Monday 15th & Tuesday 16th May**. We will also offer a **morning only session on Thursday 18th May** and an **afternoon only session on Friday 19th May**. Sessions will only go ahead if several adults are attending each session.

Please wait at main reception and we will go to the library together.

Please choose the day and time which suits you best to come into school.

If you can't make any of the above times please get in touch with me.

To help me manage space and resources, I would be grateful if you could fill in the slip below if you are interested in attending and return to school by Monday 8th May.

If you require further information before signing up please contact me at school. Unless you hear from me, assume your session is going ahead.

Regards,

Helen Scargill (P.I.W)
