## English Next Week

### Year 3

In English next week, Year 3 will be learning a variety of different skills to describe a character, including how they act and what they say, as well as their appearance and personality.

### Year 4

Next week in Year 4 we will be learning to write Greek myths based on 'King Midas and the Golden Touch' which is our model text. We will be focusing on characterization.

### Year 5

In English next week, Year 5 will be writing setting descriptions for their 'wishing tales'.

### Year 6

Year 6 are learning to identify question styles. We are learning to find impressive vocabulary that the author has chosen; we are learning that to answer retrieval questions we need to know synonyms of words. We are also learning to summarise and predict and to use our detective skills for answering questions where the meaning is inferred.

## Maths Next Week

### Year 3

Year 3 will be looking at angles within shapes. We will also be looking at using angle as a measure of a turn.

### Year 4

Next week in maths, Year 4 will be counting up and down in hundredths, adding and subtracting fractions with the same denominator and finding decimal equivalents for common fractions and any number of tenths and hundredths.

### Year 5

Next week Year 5 will be using problem solving and reasoning to revise conversions between various units of measurement.

### Year 6

Year 6 are learning to solve problems in a logical manner. We are using our prior knowledge to solve multi-step problems and will explain our methods. We are continuing to learn to tell the time, interpret data, find time differences, read and discuss timetables.
