"I have loved you with an everlasting love" (Jeremiah 31:3)

Reception	We have had a busy start to the Summer Term in school, we can't believe that the children are in the final term of their first year! In Maths we have been looking at time (o'clock and half past), the children have been using timers and challenging themselves to do activities quickly, they have had a lot of fun. Time is a topic in school that really requires your support at home, so please could you encourage your child to help you read the time at home – just o'clock and half past! In Literacy and the rest of our curriculum we have started learning the story of the Gingerbread Man. The children are enjoying this story, especially making their own actions up! Thank you for sending in your child's PE kit and reading bags on Monday! I hope you have a lovely long weekend! (Phonics: REVISION OF PHASE 3: ai, ee, igh, oa, oo, ch, sh, ng, th, ar, or, ur, ow, oi, ear, air, ure, er)	VIP ZOE THOMPSON
Year 1	We have had a really busy start back to the Summer Term. We have started the term with looking at the story of Handa's Surprise. The children enjoyed trying the different fruits and creating some beautiful paintings which we have displayed on the wall. The children have written some great riddles about the animals too. Well done; next week we will be looking at the story of the Gigantic Turnip. In maths we have finished subtraction and will start looking at numbers to 50, comparing and finding the difference between two given numbers. Please ensure your child's PE kit is in school and reading bags are brought every day. In phonics we have recapped phase 3 and phase 5 sounds. Have a lovely long weekend!	VIP OSCAR RAWSTHORNE
Year 2	We have had a good first week back and started all our new work. In maths we are revising some of our maths objectives which needed more practice after our recent class assessments. In Literacy we are looking at a new text and have been writing reports this week which are linked to some of the content. In RE we are completing parts of the Mass. I have sent some maths revision work for homework linked to our class work. Have a great weekend and please keep reading every day!	VIP JACK PATTON MOLLY CAIRNS
Year 3	We have had a good week back at school. We have started a unit on persuasive writing in Literacy and in Maths we have continued to look at working with money, looking at adding money and now moving onto subtracting amounts. We had a great day starting our Viking unit with Charlie Lupton. The children built a great Viking long ship. For homework, children have been asked to research the Vikings and complete a poster using facts and drawings. Have a lovely weekend.	VIP SARAH BLASTOCK LEXIE SHARPLES
Year 4	It has been a lovely first week back at school after the Easter holidays! The children have come back refreshed and ready to work. In maths, we have been continuing with our work on decimals. This week we have been looking at ordering and comparing before we move on to rounding decimals to the nearest whole number next week. In literacy, we have started a new unit of work on explanation texts and have been focusing our work around a piece of writing called 'Why Dinosaurs Became Extinct'. We were very lucky to have a visit from Charlie Lupton on Wednesday who came in to work with us on our new topic; The Ancient Egyptians. The children had a brilliant time and are really eager to begin learning more about this period in history. This term we are back to tennis on Tuesday afternoons as well as swimming on Wednesdays. Please ensure that your child has the correct kits in school for both of these days. Thank you to all those parents who listened to their child read over Easter. It really is such a big help and any reading that you can do with your child throughout the week is greatly appreciated; it really does make a difference. I hope you all have a lovely Bank Holiday weekend	VIP SHARONA HORNBY
Year 5	WE have made a great start back to school after the holidays, and the children have worked really hard. In Maths, we have been thinking about percentages and how they link to fractions and decimals. This coming week, we will be finding out about how to find percentages of numbers and solving problems relating to this. Perhaps have a little go of this at home; e.g. 50% of £1 or 10% of 32. In Literacy, we have begun to plan our own persuasive leaflet about a weekend school and this week we will be writing them – I'm not sure that the children were really convinced about this idea! Have a great weekend!	VIP RHYS NICHOLAS
Year 6	It's been lovely to see all the children after the Easter holiday. As you are aware, SATs are fast approaching and so this week we have reviewed areas of the curriculum that the children have found tricky. We will continue with this next week and the final meeting of SATs club will be next Thursday. I know some of the children are getting worried about SATs week; you can help by keeping things as normal as possible at home and ensuring the children get plenty of sleep. We have been selected to complete the NFER maths papers this year. These tests are used to inform SATs papers in the future. They will be administered next Tuesday, and will be great practice for the children. We will not find out their scores and they are not reported to parents, so the children should not worry about them at all. I hope you have a great Bank holiday weekend!	VIP NIKKI TEELEY ERIN JAKUBOWSKI

NOTE TO PARENTS: PLEASE READ THIS SECTION AS ALL SCHOOL INFORMATION IS IN HERE

Welcome back everyone; we hope you had a happy and peaceful Easter holiday.

What's been happening? Year 5 and 6 started their cricket sessions on Monday afternoon and the after school club looks set to be a great success too. Thank you to Millom Cricket Club for providing this for us. Year 5 had a tag rugby training session on Tuesday with Russell Gainford in preparation for next week's Tag Rugby Tournament. Year 4 enjoyed their Egyptian workshop with Charlie Lupton on Wednesday and if you came in at the end of the day I'm sure you'll agree that they pyramid was amazing! Well done to our Tennis teams from year 3 and 4 who came 1st and 2nd in the Millom Area Tennis Competition on Wednesday. Our first team will go on to the Copeland final! Charlie Lupton gave year 3 a Viking experience on Thursday. The Longboat they build was brilliant and the children thoroughly enjoyed the day. Year 4 girls attended a Team Up Festival at St Bees on Thursday; they enjoyed a range of MultiSkills consisting of Cricket, Netball and Hockey.

Week Commencing Monday 1st May: Don't forget it is Bank Holiday on Monday so we will not be at school ☺ Our school governors will be meeting on Wednesday evening. On Friday our year 5 Tag Rugby team will be taking part in the festival at St Bees. We hope they all enjoy the experience and we know they will do their best as always. On Friday afternoon we welcome the Mayor of Millom, Councillor Doug Wilson, to our school assembly. He will be presenting our school choir with the Millom Town Bursary which they were awarded at the Ulverston Musical Festival.

Ulverston Musical Festival: Well done to our choral speaking group and school choirs who did exceptionally well at the Ulverston Musical Festival at the end of last term. They came back with 4 Trophies! Our choirs won the Hazel Park Trophy, Josephine Sutcliffe Trophy, Adams Shield and the Forge Europa Bursary Trophy. They were awarded the Millom Town Bursary of £100 too! Our Choral Speaking Group won the Choral Speaking Cup, which was brilliant as it was the first time we have entered the choral speaking for many years! In fact some of the children's parents were actually pupils in the group we had last time! We are really proud of you all and thank you for all of your hard work and dedication in the run up to the festival. Thank you also to all of the parents and staff who have supported the choir and choral speakers too. Our choir have several engagements throughout the rest of the term and have bookings for two weddings in the holidays! A big thank you must go to Mrs Date who is always ready to come down to play the piano even at very short notice, what would we do without her! A big pat on the back for Mrs Nicholas and Mrs Carter for all of their hard work which really did pay off. Well done everyone involved ☺

HEAD LICE: Please could we ask you to check your child's head regularly – we recommend that you look once a week. There are various lotions available at the local chemists, and the pharmacists are always available for advice and recommendations.

SWIMMING: Children from 1st years 3 & 4 will be swimming again on Wednesday afternoons. Please be aware that Swimming is a curriculum subject and it is mandatory for all of the children to attend and so parents should always send swimming kit to school for their child. If your child is not able to go swimming please could parents send in a signed note in the morning.

SWIMMING COSTUME(S): If any parents have a swimming costume (especially girl's swimming costumes) that their child no longer uses, we would be very grateful if they could bring them to school, so that we can put them in our spare kit box. We do have some towels and one or two pairs of boy's shorts, but we have no girl's costumes at all. We would be very grateful for any help that you can give us.

SUNDAY MASS: We have started to attend Mass on Sunday mornings every other week; Children will be doing the readings and the offertory as well as joining in with the singing. Mrs Nicholas will be checking which children would like to and are able to attend beforehand so that readings can be given out in good time. It is lovely that the children have begun to attend Mass and it is nice that parents come along to support them too. It does mean a lot to our parish community to have the children at Mass so thank you for your support.

EDUCATIONAL WELFARE OFFICER: We now have a School Educational Welfare Officer, she is Mrs Sue Mallinson and she works for the Furness Catholic Schools, which we are part of. As you know we monitor our school attendance constantly and unfortunately lots of children are falling below our school target of 95%. We do understand that there may be legitimate reasons for the absence such as illness but we do have a duty to promote and pursue good attendance for all pupils. We will contact you to let you know if your child's attendance is between 90 – 95% and will monitor it more closely in the future. Parents of children whose attendance falls below 90% will receive letters from Mrs Mallinson inviting them to meet with her. We do have a legal responsibility to inform parents when their child's attendance drops below 90%, which is the threshold set by the local authority. Please do contact me if you wish to speak about your child's attendance.

INHALERS: Please can parents ensure that children have their inhalers at school if required. We have had incidences recently where children who use inhalers do not have one available. Please can you ensure that your child has a current prescription if necessary. Thank you.

RESIDENTIAL TRIP PAYMENTS: Could parents of children in years 5 and year 6 please pay the remainder of the money for their trips this week. If you have not returned your child's medical Form C, please could you do this on Monday as we do have lots of paperwork to complete and we need the information urgently. Thank you.

PRAYER INTENTIONS: During the holidays we were very saddened to hear of the passing of former councillor, Ray Cole. Ray was a much loved and respected member of our community and was a great supporter of our school and our staff. Ray worked with our

school council and was always ready to give advice or help to us all. He will be a great loss to our community and we have lost a dear friend we could always count on. We ask our Blessed Lady to comfort Nadine and their family and we send them all of our love and deepest sympathy. We ask God to welcome Ray into His Kingdom. Please join us as we pray especially for Ray – *Eternal rest give unto him O Lord and let perpetual light shine upon him. May he rest in peace. Amen.*

(If you have any prayer intentions or would like us to remember sick people, please hand them in to our school office and we will include them on the newsletter)

FACEBOOK: We have made some changes to our school Facebook site. Each class now has a closed page where photos and other information will be posted by staff. Our main school page will be used to post information, reminders, links to newsletter etc. There will be no photos on here. If you are a parent and would like to be added to your child's group please search for the following:-

ILLNESS: Please remember to ring into school in the morning if your child is absent, stating the nature of their illness. Please could we remind parents of the advice concerning sickness and diarrhoea. **Please do not send your child in to school if they have been vomiting or had diarrhoea. They need to be kept at home for 48 hours after the last episode of vomiting or diarrhoea.** Could you also remember to contact school to let us know that your child is ill. Many thanks for your help.

BREAKFAST CLUB: Our Breakfast Club runs every week day when we are at school from **8am** and costs £1 per child per day, which is payable daily or weekly / termly in advance please. Children are able to choose from a wide range of cereals, drinks and toast. They can play games, read and socialise with the other 'breakfast clubbers' before going in to class or they can take the opportunity to do their homework. Breakfast club is open to children from any class. (If your child does not usually come to breakfast club, please let our school office know that they will be coming - just so that our staff have an idea of how many children to expect. Thank you).
