

# Holton le Clay Schools

## British Values

At Holton le Clay Schools we have shared and reflected upon what British values mean to us. Tolerance and respect are also our school values which are reinforced regularly and in age appropriate ways. We want our school community to be proud of their nation and understand how they can contribute as effective citizens. We understand that this important process begins at a very early age and we seek to nurture this at Holton le Clay Schools. A statement from, and followed, by our pupils:

### Democracy

We will:

- Try to understand the democratic processes - such as voting for members of our school council.

### Rules

We will:

- Follow the school rules and understand why these rules are in place
- We will have opportunities to make our own class rules.

### What we think

We try to:

- Think about what is right and wrong ourselves
- Look at what is important for us and our families.
- Speak about how we feel and to understand others.
- Listen and talk to others with care and respect.

### What do we do at Holton le Clay to celebrate being British?

We:

- learn the National Anthem
- learn our school prayer
- study key historical figures and events in British history
- learn the key geographical facts and regions of Britain
- learn about the national Saints and legends
- dance and listen to music from around the different regions of Britain
- learn traditional British songs
- take part in British festivals e.g. harvest
- support national events such as the Olympics, World Cup etc.
