Aims for the future with fundraising

The aim of fundraising from C.H.A.M.P.S is to provide the money to enable new equipment for the playground, lockers to be used in the corridors for children's property to remain safe, equipment for nursery and reception ready for the new 30-hour provision of our youngest pupils. We also aim to try to help reduce costs for other things such as school trips by subsidising for coaches or bus fares.

To continue to support and subsidise teaching events that require outside input and facilitation to continue to make learning fun.

Our Next Meeting

To be held in the Staff room on Monday 22nd May at 9.00am , if you would like to attend this meeting then please contact the office staff to let us know. We welcome anybody who would like to attend to give thoughts and ideas on how to help make our school even better.
