We would like to say a great big thank you to the Co-op and all their customers who have donated, through their Co-op cards, a massive £2549.99 to school! We are proposing to buy a cycle rack. Thank you.

The miniature gardens that the junior school children have made will be on display for you to look at on **Wednesday 10th May** from 3.20pm in the junior school hall. They will also be on display on **Thursday 11th May** between 8.30am - 8.45am in the hall. Come and have a look, they are great.

Recently there has been some confusion about

dogs on the school site. Can we just clarify that, following the East Riding Council Policy NO dogs are allowed anywhere on the school site. This includes large, small, young or old dogs. It also includes the really tiny ones which either fit in your arms or your handbag! We thank you for your continued support.

On **Sunday 14th May 2017** the Hessle West Open Gardens event is on between 11am - 5pm. This year marks the **25th Anniversary** of this special day.

Tickets and maps are available from the gardens with balloons and notices. There is a minibus on a circular route from Redcliff Road to Boothferry Road.

£3.50 gives entry to about 20 gardens. **No charge for children.** (what a lovely way to spend a day!)

If you need to leave a message either about, or to your child during the day please do not leave it on the absence line.

This answerphone is checked in a morning and not the afternoon so we may not get the message until the next day.

Reminder:

Jo Jo Bows and the spinner fidget toys are not allowed in school. Thanks.
