Dear Parent / Carer,

We are writing to let you know that the trustees of the Synergy Trust and the governors of Bawdeswell Primary School have appointed Mr Richard Lord as headteacher of Bawdeswell Primary School and the executive primary headteacher of all of the Synergy primary schools.

We had a number of excellent and well qualified candidates for this post. Throughout an intensive selection process Mr Lord demonstrated that he possessed the outstanding skills and expertise that best suited our particular needs. We very much look forward to him officially taking up post in September. In the meantime, he is being involved in all key decisions that the school has to make.

Yours sincerely,

Mark Farrar
