Reception	Lacie-Mae Tinkler
Year 1	Eva Bewsher
Year 2	Tom Walker
Year 3	Molly Smith
Year 4	Ellie Westley
Year 5	Hollie White
Year 6	Rory Scales

Good luck to our **Year 6 children** who take their **SATs** this week. They have all worked hard in the last few weeks to do the best that they can do and have been well prepared by Mrs Bewsher. Thank you also to parents who have supported them with homework outside of school, they couldn't have done it without your support also.

Thank you to those parents who completed the **Questionnaire** attached to last week's Newsletter which Directors and I will be using to help inform future planning in school. There are lots of lovely, supportive comments on the returned forms, thank you very much for this. If you have not already returned yours please try to do so before this Friday 12th May.

Well done to all our children who took part in the **Whitehaven Music Festival** last week. They all performed really well but a special mention for Maisie Byers who won the 8 to under 10 years poetry section gaining 89 marks. Maisie then went on to win the Judith Warwick Trophy for the best all round competitor in speech and drama so well done to her!!

Don't forget the **KABS Treasure Hunt** on this Sunday, 14th May starting from school at 2.00pm, £5 per family. Food and drink back at school following the event too so please come along and support KABS and have a fun afternoon too!

Clubs start next week and many are full which is great to see. There are spaces on Saturday morning for Year 4-6 cycling so let's get these children out of bed and on their bikes, good exercise and great fun!
