

School Newsletter Summer 2017 No.4

8th May 2017

Coming up this week:

This week is SATs week for Years 2 and 6. Please make sure your child gets plenty of sleep, that they eat a good breakfast each day and that they arrive at school on time. We have to start the tests promptly and any child who arrives late will not be able to sit the test with their class. Your child has worked extremely hard, preparing for the SATs tests—please do not undermine their efforts by causing them to arrive late at school.

We wish each child doing their SATs the very best of luck. Be proud of yourself and of your achievements—never forget that you are AMAZING!

A new reading challenge was launched on Thursday 4th May.

It is based on the Pokemon characters and will, hopefully, inspire all of our children to read regularly at home to an adult. Don't forget to sign your child's reading diary each time they read to you so that they can collect their Pokemon stickers in school and try to win prizes.

Here are our Green Rosette for Growth Mindset winners from last week.

Each has shown a growth mindset, displaying perseverance, engagement and effort when faced with challenges in school.

We are very proud of each one of them.

If you have any Sainsbury's 'Active Kids' vouchers at home, please send them in to school as soon as possible so that they can be counted and used. Sainsbury's have now stopped handing out the vouchers.

Happy Birthday to:

**Evie Adams, Gracie Besant,
Mia Brown, Joe Collins, Lola Last and
Caelan Tuttlebee**

who each celebrated their birthday last week.

PARKING!

We had further complaints last week from parents and residents about the parking outside school. Several parents are parking illegally on the yellow zig-zag lines near the school gates and others are parking up on the pavements so that pedestrians, particularly those pushing buggies, cannot get passed. Plus there were parents parking in private parking spaces and parking across driveways with dropped kerbs.

Whilst this has nothing to do with the education of your children, selfish or thoughtless parking does put children's lives at risk and is, therefore, a concern for the school. It would be good to know that all parents showed concern for children too.

I can, You can, We can...achieve.
