Thursday 11th May 2017

Dear Parents

We are delighted to have been invited to take part in the following concert, through our Monday music lessons:

*“On the afternoon of **Tue 18 July**, the Wyvern Theatre will host a special concert for whole classes of instrumental learners. The classes from 8 local primary schools will play a range of instruments from Recorders to African Drums and Violins to Ukuleles. This is the first concert of its kind at the Wyvern and Swindon Music Service would like to offer parents of the performing children a free audience ticket.”*

We will be arranging a coach to take our KS2 children to the Wyvern theatre, where, having practised prior with Mrs Rowe (we are the only strings group) they will perform several numbers on the stage. A wonderful opportunity for them to take part in a large scale musical concert, right at the end of the school year allowing them to showcase what they have learnt.

The concert starts at 2:30pm and will finish at 3:50pm. Children will need to be picked up from the Wyvern at 4pm. If you are securing tickets for siblings to attend we are happy for them to be picked up from school at 1:30pm in order to arrive at the Wyvern in time for the concert (and we will see you there).

Children will wear school uniform. We are rearranging the swimming session that was due on that Tuesday so that this does not cause inconvenience with pickups (being in Bishopstone and Swindon at the same time!).

If you wish to book a ticket/s **I advise you to do so asap**, hence sending this letter out **very** early – the word ‘free’ might cause them to sell out quickly or people to try and bulk ‘buy’. They are online NOW.
