The nursery sessions are 9.00am until 12.00pm during school term time. The free 15 hour per week nursery entitlement can be taken, as sessions, during these times.

If you wish your child to stay to lunch there will be an additional £4 charge for the one hour lunch period.

Important information for parents and carers

Your child's attending at the school nursery class/FS1 **DOES NOT** mean that you child will automatically transfer into the primary school. A Primary Admissions application will need to be made, and attendance at the nursery class does not give your child additional priority for a school place

Please note we prefer all children to be out of nappies and able to use the toilet independently before we can offer a place. Please discuss with the school should you have any concerns in this area.
