

10 May 2017

Dear Parents,

The safety of our pupils is always at the forefront of our minds. In today's day and age teaching about E-Safety, being safe when using technology, is of vital importance at both home and school.

We can only be successful in keeping children safe online if we work with you to ensure the E-Safety message is consistent. Your help is needed to talk to your children about how they can keep safe and behave appropriately online.

Recently we have had a number of parents express concerns about children's behaviour online. Children can accidentally or deliberately be exposed to unwanted or unpleasant content or comments online and there are steps you can take at home to minimise this risk.

We are holding an E-Safety meeting for parents on Tuesday 16th May at 5pm, to raise awareness of online safety with lots of help and advice on keeping the whole family safe. The event will be hosted by Jane Adamson from Knetic Education. Jane is our ICT consultant and works very closely with Sunderland Local Education Anti-Bullying Team, to support Safeguarding in Sunderland schools.

Please help us to support your children by attending this meeting.

Yours sincerely

C Jary
Head Teacher
